It is anticipated as of now that in order to obtain accreditation, it will be necessary to:

-have a valid Green Pass, issued according to EU rules. For more details and to check if non-EU countries are connected with the certificate, see: [EU Digital COVID Certificate | European Commission \(europa.eu\)](https://ec.europa.eu/digital-certificates/);

-get a negative oro-nasopharyngeal RT-PCR test, carried out within 48 hours prior to collecting the accreditation card in Cortina d'Ampezzo uploaded in your FIS passport or in other accreditation platform that will be specified in the definitive anti Covid-19 protocol.

Teams travelling from Nations and Countries considered at high risk of contagion by the Italian Authorities, may be asked also for a negative RT-PCR test certificate performed in the 8-10 days prior to the arrival in Cortina d'Ampezzo.

The Organising Committee reserves the right to ask all participants to undergo a rapid antigen test on their arrival in Cortina d'Ampezzo, as a condition for obtaining the accreditation card and for access to the hotel facilities. The test will be organised by the LOC in a covid-19 centre in Cortina and the cost will be charged to the participants.

The testing certificates must be issued by laboratories accredited by the respective National Ministries of Health according to the standards recognised by the Italian Authorities.

Access to the accreditation and race office, as well as to the Teams Captains Meetings is allowed only to one representative per Nation.

The accommodation facilities in Cortina d'Ampezzo are set up to host athletes and teams, according to the guidelines of the Italian Authorities and the FIS.

On the day of the race there will be restrictions on access to the lifts. Routes and spaces dedicated to athletes and teams will be prepared.

In any case it is the responsibility of every person to adhere to the policy, follow all procedures and instructions and behave in a disciplined manner at all times.

All costs for any quarantine will be borne by the person concerned, so it is advisable to check that they are covered by an appropriate insurance policy.

A breach of discipline protocol will lead to withdrawal of accreditation, as will going to places where people are present who are not subject to the protocol (not on the bubble), i.e. bars, hotspots during the Event.
