

COVID-19 GUIDELINES AND RULES OF CONDUCT

GENERAL INFORMATION

Since it's estimated that COVID-19 pandemic wave is going to a peak in Italy within the end of January 2022, the FIS World Cup Snowboardcross in Cortina d'Ampezzo, organized on January 27th-29th, 2022, must take place under strict safety measures. Based on the current regulations published by the Ministry of Health, the Presidency of the Council of Ministers and the local Prevention Authorities, as well as the additional measures taken by the FIS and FIS (NSA), we present the following catalogue of measures to be observed by all.

GENERAL BEHAVIOUR IN ALL EVENT AREAS

- Health is the highest priority, that's why solidarity and individual responsibility are required, during all your staying in Cortina d'Ampezzo. Always respect anti-COVID-19 measures, limit leisure activities and contacts.
- To take part to the event, teams, LOC staff, media, First Aid members and all those directly involved in the event must prove negative result to COVID-19 test.
- Due to the COVID-19 situation, the number of accredited people will be limited. Turnout at the competition areas will be regulated to avoid interference between groups.

MASK, DISTANCE, AND HYGIENIC RULES

- Always keep the mouth-nose protection mask (FFP2 mandatory) and distance of 1 m. outdoor and not less than 1,5 m. indoor in all event venues, accredited zones, public areas.
- Wash hands very frequently and use hand sanitizers.
- Change masks frequently.
- Hand sanitizers will be available at the venue but always take yours!
- Masks don't need to be worn in the following exceptional circumstances:
 - athletes in the warming-up area or after entering the start gates;
 - during mealtimes (means only during the time of eating, in all other cases, even to remain seated at the table, the mask must be worn).

POSSIBILITY TO TEST LEAVING CORTINA (TO ACCESS CHINA OLYMPICS)

Due to the increasing of Sars-Cov-2 infection cases, it's extremely difficult to find laboratories able to process PCR tests in a quick time.

The LOC is working hard to try to offer this possibility on site or to give the possibility to be tested nearby Cortina d'Ampezzo.

More additional information soon.
