

COVID 19 Preventative Measures for the Teams, Media and Service Providers attending the FIS World Cup Speed Skiing “Chocken” Idre & FIS Speed Skiing March 10th-12th 2022.

The outbreak of the COVID-19 pandemic has affected every aspect of life for both business and individuals worldwide. The Swedish Ski Federation, FIS, Idre Fjäll and LOC are happy that this year welcome you all back to the FIS World Cup & FIS Speed Skiing.

The **FIS World Cup Speed “Chocken” Idre & FIS Speed Skiing 10th to 12th of March 2022** will take place with enhanced safety measures. Based on the current directive by the Swedish Ministry for Health and exceeding measures by Idre Fjäll as well as by FIS, we herewith send this measure catalogue to you all. By accepting the order and by registering to the event, every individual accepts the content of this measure catalogue entirely.

General information:

Red zone incl: Athletes, registered team members, LOC, internal media crew, the Jury and race committee.

Blue zone incl: External media and other accredited persons.

Every person who wishes to access a FIS World Cup Event must have and present a negative Covid-19 **RT-PCR Antigen** Test result carried out not more than 48 hours prior to arrival/accreditation and complete a Health Questionnaire (see Annex 1 as example). [FIS World Cup Risk Management Covid-19 Testing Protocol 2021 v5.pdf \(fis-ski.com\)](#)

Send the test certificate and the Health Questionnaire to the LOC(jan.magnusson@valmet.com) before arrival.

More information see. <https://www.fis-ski.com/en/inside-fis/covid-19-hub>.

Basics

- Individual Responsibility
- Hygiene measure (frequent handwashing, frequent disinfection)
- Minimum distance of 1,5 meter everywhere

Mouth- nose protection

- In Sweden there is no law or recommendation to wear mouth – nose protection – but of course individuals are free to wear their mouth – nose protection!
- All the staff that are close to the teams will be wearing mouth-nose protection

- We also will follow the FIS guidelines which means that all the Teams and service providers will have to wear mouth-nose protection in the competition area (red zone). All staff/volunteers inside the competition area will also wear mouth nose protection.

Journey to Idre Fjäll

- Do not travel to the venue with symptoms of COVID-19
- If people close to you have been affected with COVID-19, please contact your superior and refrain from travelling to the event.
- Avoid stops when travelling to the venue
- Avoid contact with other people – especially team members.
- Info regarding traveling to Sweden: [International travel restrictions - Krisinformation.se](#)

Idre Fjäll or LOC are at moment not able to do any PCR test for travel certificate.

General info regarding Covid 19: [COVID-19 - The Public Health Agency of Sweden \(folkhalsomyndigheten.se\)](#)

Event Venue

- Keep minimum distance!
- Stay only in the allocated and marked zones (Red or Blue zone).
- For service providers and media: Please avoid direct contact to sports teams and wear mouth-nose protection. As well as avoid contact with other staff members and members of the press.
- When riding in the chair lift all persons must be of the same team or same working group.
- No Spectators inside the event venue (red and blue zone).

Accommodation

- No check-in at the Idre Fjäll reception, pick up your envelope at the check-in box, see attached map.
- Breakfast and dinner:
~~In the restaurant you will be seated at a table and due to regulations from the Swedish government no more than 8 people are allowed at the same table.~~
Note: no lunch will be served at the race arena.
- ~~Due to regulations from the Swedish government the restaurants are not allowed to be open no longer than 23:00.~~

COVID – 19 communication

- In case of symptoms inform the LOC as well as your supervisor immediately.
- LOC will activate COVID- 19 chain of measures.
- In case of symptoms, stay in your accommodation.
~~If some one tested positive all in the same household will be isolated and due to Swedish regulations the others member of that household will not be able to compete even if they are negative – all in the household will be isolated and put in quarantine.~~
~~The Swedish regulations are that you need to be in quarantine five days, and two of those days without symptoms.~~
FIS regulation regarding “RETURN TO COMPETITION after an INFECTION” see; [FIS World Cup Risk Management Covid-19 Testing Protocol 2021 v5.pdf \(fis-ski.com\)](#)
- All communication concerning COVID-19 must be discussed and agreed with FIS and the LOC.
- LOC does not represent additional cost associated with quarantine.

To minimize the risk of infection the LOC recommends

- Small groups
- Limit contact to other persons
- Avoid contact with tourists/fans
- Spend your free time only with members of your team/group.

Additional measures:

- There will be no additional program or audience in the finish area except the prize ceremony.

For more information on how Idre Fjäll work with COVID- 19 we refer to our website, <https://www.idrefjall.se/en/about-us/information/important-information/>

- Please note that there are special measures taken for the World Cup that are not on the website since the website is how the resort work with COVID-19 overall.

We appeal to everyone to act RESPONSIBLE and to keep and implement all measures and recommendations!

The organizer reserved the right for necessary changes which have to be announced immediately.
