

NC & FIS Sprint NC & FIS Parallel

Vardåsen, Asker - Feb 10. – 13. 2022

Hagahogget Låmlag invites you to a week-end of training and racing in Vardåsen, Asker. Hagahogget is a club with long traditions in organising telemark races. We kept the parallel event alive, providing experience when we introduced this event in the WC.

Come to Vardåsen in February to experience the source of the modern parallel event, and to have exciting races in an intimate arena.

For more information, please contact Rolf Bryn, +47 90 19 64 76, e-mail or whatsapp.
