## GREETINGS FROM FIS

*Dear Ski Friends,*

*The FIS Nordic World Ski Championships are a highlight in the calendar. They bring together the best athletes from three disciplines and thrill spectators on site and in front of the TV. Further and faster - that is the motto. A pinnacle event that is the best promotion for our beloved sport.*

*In Planica, a host awaits us who lives and breathes Nordic sport. Only this year, almost 60,000 fans celebrated at the venue during the ski flying weekend and created a very special atmosphere. There is no doubt that Planica's debut as host of the FIS Nordic World Ski Championships 2023 will be a complete success.*

*On behalf of the International Ski and Snowboard Federation, I would like to express my sincere thanks to the Organising Committee and the Ski Association of Slovenia for their hard work and dedication. It is through this commitment that the magic of our sport comes to life.*

*I look forward to the competitions with great anticipation and wish all participants the best of luck.*

*Johan Eliasch  
FIS President*

## GREETINGS FROM THE ORGANISING COMMITTEE

*Dear Friends,*

*Planica stands before its biggest milestone, the first FIS Nordic World Ski Championships to be held in this magical Alpine valley. Planica has a rich and long tradition in Nordic sports. Decades have past, but the sport stayed in Planica and wrote some amazing stories and fairy tails. Planica would be just a valley if it was not for the people who had ideas and made them happen. We are aware and proud of the legacy left by the past generations of sports enthusiasts who enabled it to evolve in one of the most known and cherished sports locations in the world.*

*Now the time has come to make our ideas come true. The path to the FIS Nordic World Ski Championships Planica 2023 was not easy. But we have chosen a goal that seemed right for the next evolution cycle of Planica, and we strived to the best however hard the path.*

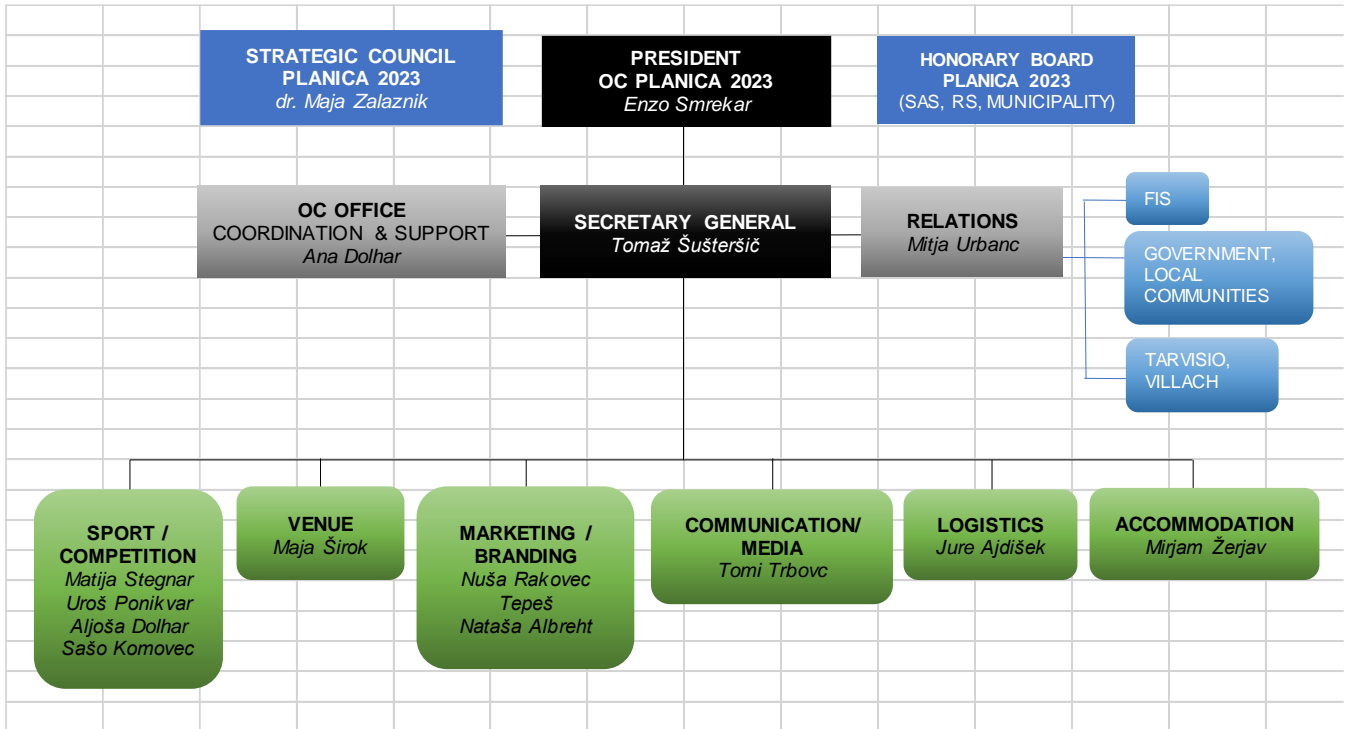

*My professional team is doing everything possible to make this event the most memorable for all of you. Now the spotlight will be on your performance.*

*We are happy to welcome you in Planica, the place where dreams come true. Let's make it happen with us!*

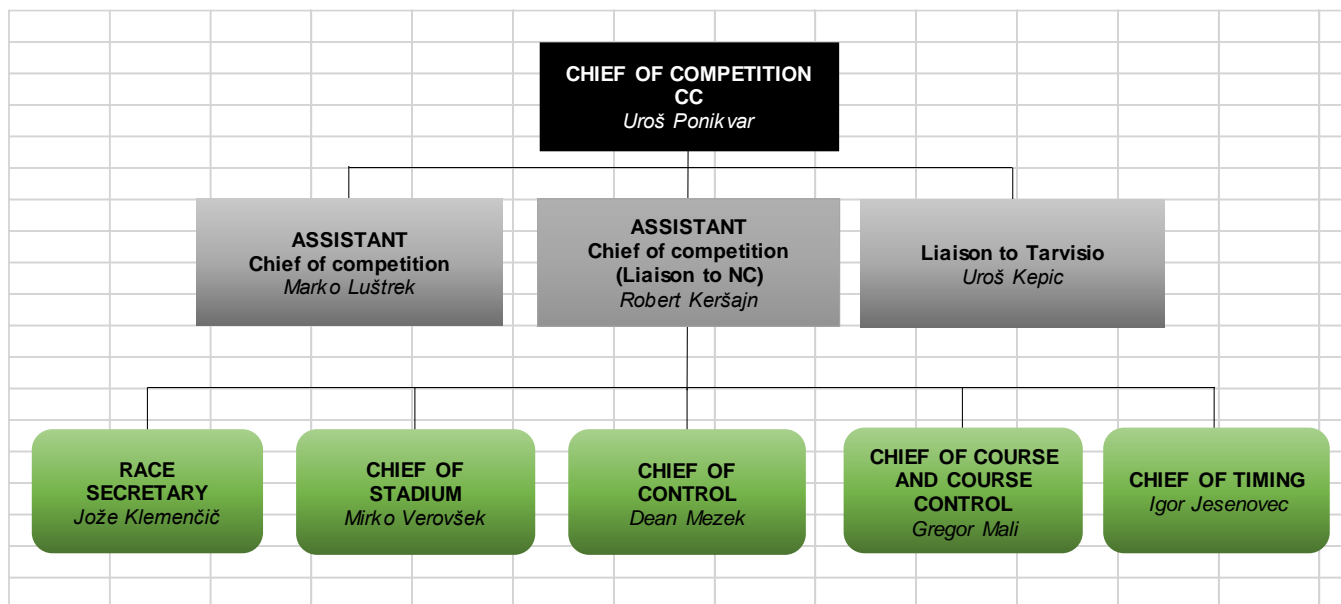

*Enzo Smrekar  
President  
OC Planica 2023*
