Progression system: In the Group Heats all competitors compete in two pools with heats against each other (round robin). Competitors are awarded race points according to their finishing position in each heat (the winner is awarded 4 points irrespective of the number of starters). The first four ranked competitors in each pool proceed to the next phase. In the Semifinals the first two ranked competitors in each heat proceed to the Big Final. The third and fourth ranked competitors in each heat proceed to the Small Final.
