# INTRODUCTION

# SNOWFEST\*

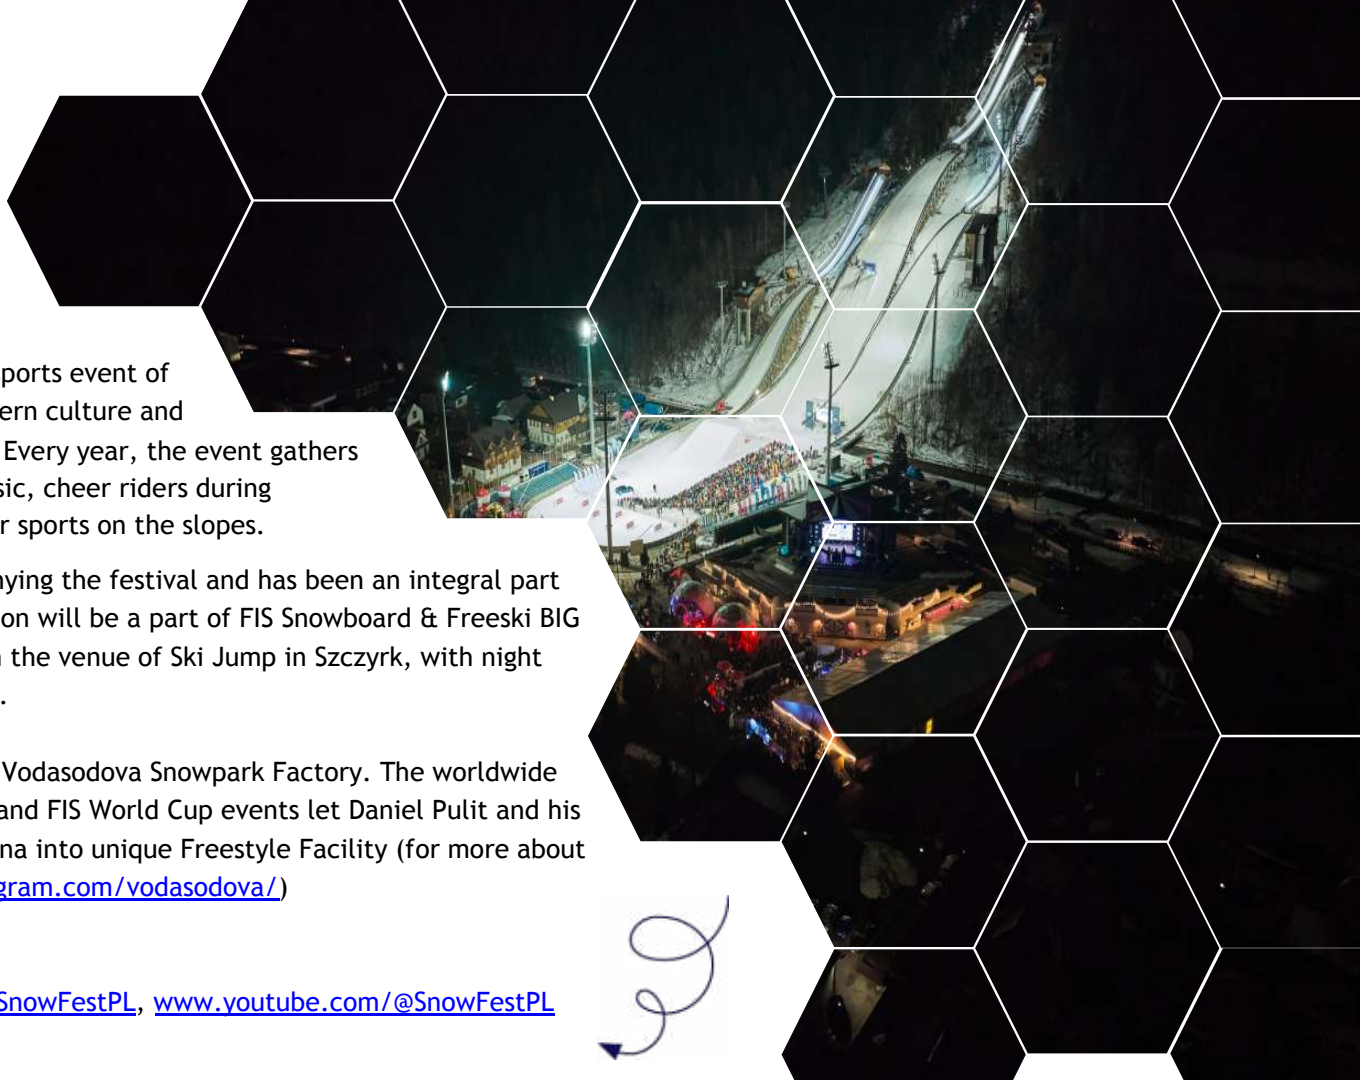

**SnowFest Festival** is the largest music and sports event of the winter season in Poland, promoting modern culture and lifestyle related to winter sports and music. Every year, the event gathers over 10 thousand participants, who enjoy music, cheer riders during SnowFest Games and actively practise winter sports on the slopes.

**SnowFest Games** is a competition accompanying the festival and has been an integral part of it for 11 years already. In 2024, competition will be a part of FIS Snowboard & Freeski BIG AIR calendar. Games are to be conducted on the venue of Ski Jump in Szczyrk, with night finals towards a full audience of the festival.

**The BIG AIR course** is designed and built by Vodosodova Snowpark Factory. The worldwide experience of building X-Games, Air&Styles and FIS World Cup events let Daniel Pulit and his professional team to transform Ski Jump arena into unique Freestyle Facility (for more about Vodosodova, please visit <https://www.instagram.com/vodosodova/>)

A winter festival scene with a large banner for 'SNOWFEST' and 'Miło widzieć'. The banner also mentions 'Powered by TAURON'. In the foreground, there are people, including a child in a striped jacket and a person in a dark hooded jacket. To the right, there is a red sign for 'Betclic' above an entrance. The background shows a large structure, possibly a roller coaster or a snow machine, under a blue sky. The overall atmosphere is festive and winter-themed.
