# WELCOME

We are excited to welcome all eligible athletes to the 2024 Freestyle Ski & Snowboard FIS Nor-Am Cup hosted at Horseshoe Resort on March 5th - 8th.

Established in 1962, Horseshoe Resort is situated in the picturesque Horseshoe Valley just north of Toronto. Visitors to the event have the option of booking on-site accommodations with full amenities through Horseshoe Resort.

Horseshoe Resort is in the process of building two exceptional Nor-Am level courses for the slopestyle and big air disciplines. These courses will follow the terrain standards and expectations that have been established through other stops on the FIS Nor-Am Cup, with a focus on enabling skiers creative expression. Horseshoe has state of the art snowmaking capacity and exceptional park building expertise.

Additionally, a new downslope airbag and trampoline facility are scheduled to open at Horseshoe this spring, positioning Horseshoe to become a top-tier year-round destination for high-performance freestyle skiing and snowboarding.
