WELCOME FROM THE MAYOR OF PRINCE GEORGE

On behalf of City Council, it is my great pleasure to welcome you to the 2024 Para Biathlon World Championships and 2024 Para Nordic World Cup Finals and acknowledge that we are gathering for this event on the traditional territory of the Lheidli T'enneh.

The Local Organizing Committee has developed this Team Invitation to assist you in planning your time in Prince George, and includes important information about the event, venues, transportation, accommodation, and our city.

Prince George is honoured to welcome all the participants, families, and spectators; I hope that you have an opportunity to explore all that our city has to offer as this is a vibrant community full of welcoming people and businesses.

I wish you all the best of luck in your competitions and hope you enjoy your time in Prince George!

Mayor Simon Yu
City of Prince George

WELCOME FROM THE CHAIR OF THE LOCAL ORGANIZING COMMITTEE

Only 5 years after hosting the 2019 World Para Nordic Skiing Championship, (the first ever World Championships hosted in our city), we are so honoured and excited to be hosting not just one, but two world events in 2024; the 2024 Para Biathlon World Championships and the 2024 Para Nordic World Cup Finals.

In “bringing these two worlds together”, these are the most prestigious events in Para Biathlon and Para Nordic Skiing outside of the Winter Paralympics. This will also be the first ever Para Biathlon World Championship in history, and we’re delighted that the International Ski Federation (FIS) in collaboration with the International Biathlon Union (IBU), chose the Caledonia Nordic Ski Club and the City of Prince George (and Canada), to host this inaugural Para Biathlon World Championships.

These Para Biathlon World Championships, accompanied with the Para Nordic World Cup Finals are the biggest events other than the Paralympics, and are hosted halfway between the previous Paralympic (Beijing 2022) and the next Paralympic Winter Games (Milan/Cortina 2026). As such, we are so honoured to have recent Paralympians as well as future Paralympians that will awe and inspire. These are more than elite athletes – they exemplify the absolute pinnacle of human perseverance through incredible athletic achievement.

We love the fact that we’re bringing Prince George to the world stage on again, and hosting the best Para Biathletes and Para Nordic skiers in the world. We know Prince George and our amazing people can deliver an incredible experience. We have worked extremely hard to make the Caledonia Nordic Ski Club a world-class facility, and we look forward to sharing this opportunity with you and your incredible teams.

Warmest regards,

Kevin Pettersen

*Chairperson, 2024 Para Biathlon World Championship
and 2024 Para Nordic World Cup Finals*
