

WELCOME FROM THE LOC

Dear Athletes, Coaches, and Freestyle Enthusiasts

On behalf of the entire Organizing Committee of the FIS Snowboard, Freestyle and Freeski World Championships 2025, I am thrilled to welcome you to St. Moritz/Engadin. It is both an honor and a pleasure to host you in a region with a long history and tradition of winter sports.

Back in the days freestyle pioneers found ideal conditions to develop their innovative techniques and daring tricks. The majestic mountain landscape and unparalleled snow reliability have made the Engadin a mecca for freestyle enthusiasts from around the globe. Our region proudly hosted the Winter Olympic Games in 1928 and 1948, five Alpine Ski World Championships, as well as two unofficial Snowboard World Championships in 1987 and 1990. These prestigious events have cemented our importance as a winter sports hub and provided us with years of experience in organizing world-class competitions.

The FIS Snowboard, Freestyle and Freeski World Championships 2025 builds on this illustrious past, continuing the tradition of freestyle in the Engadin with fresh energy and a

modern spirit. Our region is not only a place of sporting challenges but also a source of inspiration and camaraderie. People from all over the world shall come together to celebrate the sport and share unforgettable moments.

We have spared no effort to provide you with an exceptional event that showcases both the sporting and social aspects of freestyle. From breathtaking competitions on the slopes to inspiring encounters, the FIS Snowboard, Freestyle and Freeski World Championships 2025 promises to be a unique experience.

Let's celebrate the passion and spirit of freestyle together. We look forward to thrilling competitions, fair sportsmanship and many long lasting memories.

Sincerely,
Milan Derouck
CEO
