ICR to be considered:

7.6.4 National Junior Race (NJR)

Every National Ski Association has a fixed quota for all NJR competitions depending on its FIS Quota (including country group art 7.1.7) according to the following calculation:

FIS Quota NJR Quota

10 – 9 5

8 – 7 4

6 – 5 3

up to 4 2

The Organising Nation is allowed to start a maximum of 115 competitors. If there are less than 25 foreign competitors entered or the Organising Nation doesn't utilize the 115 competitor's quota, the normal FIS quota can be applied taking into consideration a total number of 140 as maximum number of competitors. At Women's competitions this precision will be applied only if more than 140 competitors have been entered.
