Distance & driving times from major cities

Sydney 5 - 6.5 hours 500km (approx.)

Melbourne 7 hours 500km (approx.)

Canberra 2.5 hours 180km (approx.)

Driving from Sydney

Follow the Hume Highway from Sydney then just south of Goulburn take the Federal Highway and travel south to Canberra. This section of the trip is mainly on a divided road. From Canberra follow the signs to the Monaro Highway to Cooma. This road then joins the Kosciuszko Rd that you follow through the town of Berridale and onto Jindabyne. Follow the signs through Jindabyne to Thredbo. You will go through the National Park Entrance Station, and keep driving until you reach Thredbo.

Driving from Melbourne

Follow the Hume Highway from Melbourne to Wodonga. Take the Murray Valley Highway's Wodonga/Tallangatta exit. After passing Wodonga follow the signs to Tallangatta, again on the Murray Valley Highway. You pass through the village of Koetong onto Corryong. Drive through Corryong and take the "Khancoban" turn-off on your right. Once in Khancoban you are only 76kms from Thredbo. From here the drive is truly spectacular as you take in awesome views of the Main Range and discover the beauty of the Kosciuszko National Park.

An alternate route from Melbourne is the Kosciuszko Alpine Way, which lets you experience the wonder of the Snowy Mountains as you wind along the great Murray River. Your journey will take you through quaint country towns dotted with historic huts, homesteads and buildings. You can marvel at the power of the Snowy Scheme, take in views of the Main Range, Wymah Punt over Lake Hume, lakes Eucumbene and Jindabyne, and even freshen up with a dip in the Murray itself. The diverse wildlife of the Kosciuszko National Park makes this experience truly memorable.

Transport While You're here

Throughout winter a free shuttle bus service operates around Thredbo Village to make getting around easier and more convenient for all visitors. The map below shows the three routes and their drop off and pickup points. <https://www.thredbo.com.au/the-village/village-map/>

The bus service starts at 7:30am and runs until 6:30pm all through the winter season. During July and August, a special night service runs until 10pm seven nights a week, unless otherwise advised.

Parking at Thredbo

Thredbo has a variety of car parks close to the village and mountain for both day visitors and overnight stays. For the best access we recommend parking at Friday Flat (P4), Thredbo's main parking zone.

From the car park, Thredbo runs a [free shuttle bus](#) to take you around the village. During summer months, the shuttle bus only runs during school holidays.
