Transport

Transport Official Airport: Geneva Airport (GVA)

Transport between Hotel and Airport: Transportation for teams arriving or leaving by plane will be organized by the LOC. The transfer will be by bus. Only one free transfer per team from Geneva airport (GVA) to the venue and one from the venue to the airport will be provided. This is applicable only for staff included in the staff quota. The arriving and departing times must be communicated to the LOC at least 8 days prior to arrival. If teams require additional transportation, please contact **Martin and Flo** (transport@weltcup-goms.ch); the LOC will assist in organizing additional transfers.

Please note that the bus transfer from Goms to Geneva Airport takes at least 4 hours (under good road and weather conditions). Since the competitions in Goms last until around 3:30 PM, (not including the ranking ceremony), it will be impossible to arrive at Geneva Airport before 8:00 PM. We therefore recommend booking the return flight for Monday and spending an additional night either in Goms or in the Geneva area.
