THE REGION – Welcome to Melchsee-Frutt!

In the Swiss Alps – more precisely in the beautiful region around Lake Lucerne – you will find a true winter paradise between lakes and mountains. The area lies at an altitude between 1'080 (Stöckalp) and 2'255 meters (Balmeregghorn). The holiday paradise of Obwalden has seven sub-districts: Alpnach, Engelberg, Giswil, Kerns, Lungern, Sachseln and the capital Sarnen. Melchsee-Frutt belongs to Kerns. Together they offer a world of unspoiled nature, alpine views, sporting adventures and family holiday fun – in Spring, Summer, Autumn and Winter. Obwalden is located in the centre of Switzerland and is not far from attractions such as the city of Lucerne, the world's steepest cog railway up Mount Pilatus, the Stanserhorn cable car, the glass factory in Hergiswil and Lake Lucerne – all within a day's excursion.
