## Jumping Hill: HS 100, Kanzlersgrund, 98559 Oberhof

Dear teams and NSAs, Like you, we were looking forward to exciting competitions in Brotterode. Unfortunately, construction work on our new ski jump will not be completed in time. Therefore, we have to move the competitions to Oberhof as an exception. This presents us with some challenges, which we hope to overcome successfully. Our goal is to be jumping on the Inselbergschanze with the familiar atmosphere again in 2027.

## Logistical information

The events are organized according to the ICR, FIS Continental Cup rules and FIS Inter Continental Cup rules.

### Entries

The registration has to be done by the FIS Competition Online Entries System.

02nd January 2026: Deadline for the preliminary entries

05th February 2026: Deadline for entries by name

## Accommodation and meal service

We would like to accommodate you in hotels near Brotterode and then drive to Oberhof (approx. 35 km) in the morning with your team buses.

The reasons for this are, on the one hand, hotel prices and availability. The COC/ICOC takes place during the winter holidays, so hotels in the Oberhof ski region will be fully booked or very expensive.

The second reason is that we would like to hold an opening ceremony on Friday evening and an award ceremony on Saturday evening at the Inselbergschanze for the fans in Brotterode.

We apologize for this unique situation and ask for your understanding! Please leave the hotel bookings to us. Thank you very much!

Accommodation bookings are handled by the organizing committee. Only reservations which have been received by the deadline for pre-registration will be considered. The individual National Ski Associations are guaranteed accommodations only for the numbers of persons who were entered prior to the deadline. Bookings cancelled after the final deadline (February 5th 2026) will incur a cancellation fee of up to 100% of the total costs, to be paid by the responsible National Ski Association.

Please also note that all extras used at the hotel must be paid for by the teams themselves at their accommodation.

For accommodation of team members above the COC/ICOC quota, we have to charge EUR 100 (including taxes) per person and day. This price includes the hotel plus additional costs such as providing the sports hall or catering at the ski jump.

Please leave the hotel rooms tidy and clean.
